

Blackout Dates

Please be aware that there are due dates for blackout dates each season. Check with the BASC Games Commissioner or the BASC office if you're not sure what the dates are! If you add the blackout dates after the deadline – they cannot not be honored. Closed league teams can choose 2 dates, Open Rec & Rec plus leagues can choose 4 dates.

To add blackout dates in your team account: **Log into your team account** and find the current season & league that you're playing in & in the schedule column **click the "TBA" link** (To Be Announced), as schedules are not available to view yet. See picture example below.

The screenshot shows the Oklahoma Soccer Association website interface. The top navigation bar includes links for Home, Events, Game History, Email Team, College Search, Player Suspensions, Help, and Log Out. Below this is a secondary navigation bar with Overview, Team Profile, Manager, Coach, Roster, Roster History, and Account Assistance. The main content area is titled 'Team - Boys U14 Example Team' and includes several utility links: Update Team Age and More, View Team Rankings Page, View/Print Team Contacts, Team Info, and Team Fundraising. On the left side, there are three promotional boxes: 'Universal Account Login to your Universal Account', 'Get the most out of your account' (with links for Teams U15 and Older, Account Merge Tool, and Click Here), and 'Your Club Broken Arrow SC (OK)'. The central 'Event Registration History' table displays a list of events with columns for Name/Date, Type, Status, Applied, Accepted, Paid, Roster, Schedule, eTravel, and Support. A red arrow points to the 'TBA' link in the 'Schedule' column for the '2015 OSA Spring Rec Select League East' event. A yellow circle highlights the 'TBA' link, and another yellow circle highlights the '2015 OSA Spring Rec Select League East' row. A red box with white text is overlaid on the table, stating: 'Please remember some brackets have games that do not count towards standings. Those scores have been removed. DO NOT enter scores for these games. A guide is posted below the schedules. Thank you.'
