How to Review Your Roster

Click "Rosters"

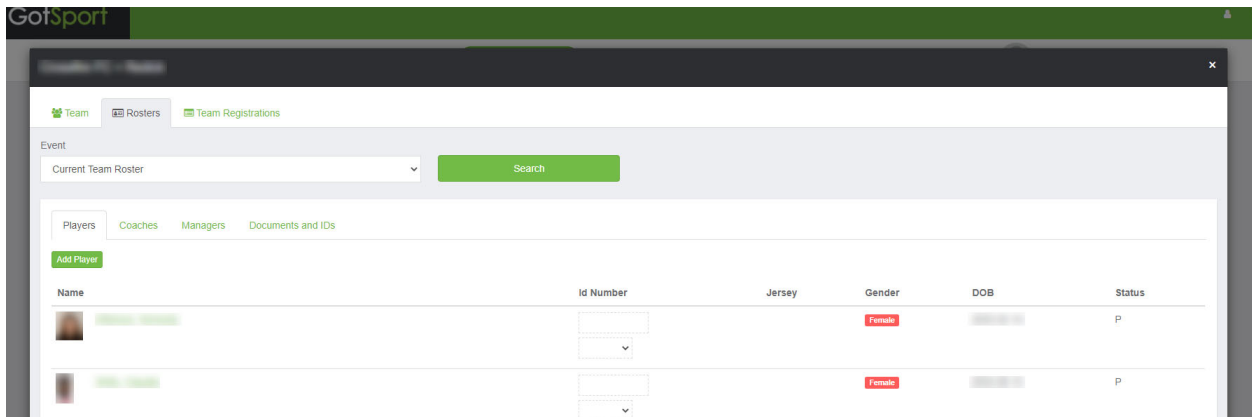

The screenshot shows a web interface for managing a team's roster. At the top, there are three tabs: "Team", "Rosters" (highlighted with a red box), and "Team Registrations". Below the tabs, there is a team profile section with a shield icon, the team name, and details: "U19", "Female", and "Recreational". The "Birthday Range" is listed as "01/01/02 - 12/31/02".

Below the profile, there are several input fields and dropdown menus:

- Name:** A text input field containing "Team Name".
- Short Name:** A text input field containing "cross".
- Legacy ID:** A text input field.
- Colors:** Two color selection boxes, one with a blue square and one with a white square.
- Competitive Level:** A dropdown menu set to "Recreational".
- Gender:** A dropdown menu set to "Girls".
- Age Group:** A dropdown menu set to "U19 (01/01/02)". Below it is a link that says "Switch to School Year".

At the bottom left, there is a "Logo" section with a "Choose File" button and the text "No file chosen". A green "Save" button is located at the bottom left of the form area.

Your roster will appear. You will need to scroll down to see everyone on your team.

The screenshot shows the same web interface as above, but now displaying a list of players. At the top, there is an "Event" dropdown menu set to "Current Team Roster" and a green "Search" button. Below this, there are four tabs: "Players" (selected), "Coaches", "Managers", and "Documents and IDs". A green "Add Player" button is located above the player list.
