

Registration Process For Epic Enrolled Students

- 1) The registration process for Epic is that the parent must first register their player and pay the BASC registration fee (<http://www.bascok.com/soccer-registration>).
- 2) The parent should email the General Manager (info@bascok.com) with the names of each of their children registered and include who BASC should invoice at Epic and include the email contact for Epic.
- 3) Once BASC has invoiced Epic, it takes them approximately 30-45 days to send BASC a check.
- 4) Once BASC receives the reimbursement check from Epic, we will then refund the fees the parent originally paid to their card on record.

Any questions, please email info@bascok.com
