The screenshot displays the website's navigation structure for different age groups and leagues. It is organized into three main sections: Mens Groups, Womens Groups, and Boys Groups. Each section contains a list of age groups (U19, U15, U10, U12, U14, U16) and a sub-section for the "American" league. Within each sub-section, there are three main navigation options: "Full Schedule", "All Standings", and "Results". The "Full Schedule" option is highlighted with a red circle in the Boys Groups section for U10, U12, and U14. In the Womens Groups section, three red arrows point to the "Full Schedule" links for U15, U12, and U10. The "Full Schedule" link for U10 in the Mens Groups section is also visible.

#4) Click on the Team Contact Info in the top right corner.
