

BASC Secondary Player Guidelines

All rules herein apply to BASC teams and supersede OSA policies for recreational soccer. Items not specifically addressed herein shall conform to OSA policies.

*BASC has adopted the following policies for Secondary Players. This program has been developed to allow for player development by permitting a player to participate with another team exposing them to a higher level of play. All approvals for Secondary players are made according to the requirements herein at the discretion of the BASC Club Head Coach and notification to the team's primary coach. **The BASC office shall have 3 business days from receipt of the correctly filled out application to notify applicant of the status of approval or denial of the application. Secondary applications must be sent to the BASC office no later than Wednesday at noon (12 PM) in order for the approval process and changes to the official roster and player passes to be in effect for the following weekends game. Secondary applications which are sent to the BASC office after Wednesday at noon (12 PM) will be made during business hours the following week. Secondary player requests have multiple approval levels in addition to the administrative side of this process. Denials may be appealed to the BASC Executive Board. Guest Player Policy is that of OSA and is only applicable for tournament and friendly games.***

Secondary Players

Purpose: Allow for player development by permitting participation of a recreational player on a higher level team within the same club throughout a single season of league play. Not intended to improve a team's performance, but can be used to complement primary roster in the event of primary players regularly missing games (ie. older teams) so long as movement is a **vertical move** (ie. up an age group, rec to rec+, rec or rec+ to competitive). However, players from a REC + team playing in the OPL League (Oklahoma Premier League) will have the opportunity to request horizontal movement in the same age group.

- For regular season league games of the team only – not tournament play.
- Intra-club movement only (BASC players to BASC teams).
- Available for U9 and older teams.
- Must be age appropriate or playing up.
- Must be a vertical move (i.e. up an age group, rec to rec+, rec or rec+ to competitive). However, players from a REC + team playing in the OPL League (Oklahoma Premier League) will have the opportunity to request horizontal movement in the same age group.

BASC Secondary Player Guidelines
