

BASC Rec Select (Rec +) Team Policy

BASC Rec Select teams will be formed each season in accordance with the following Policy:

Recreational Select (Rec +) Teams

Recreational Select teams may be formed for the purpose of playing in the OSA Recreational Select League, or OSA Recreational Open League, or the OSA Oklahoma Premier League (OPL) league as may be desired by the coach and team members. Players are eligible for inclusion on a Rec select team so long as they meet the age requirements of the team. Formation of Rec select teams is not restricted by the team formation/player placement criteria as stated above for Recreational teams.

Rec Select Team Policy

- Rec select teams participate in recreational soccer. Tryouts are strictly forbidden, and all Rec select players are afforded the same Players Right to Play as Recreational players (i.e. all players must participate in at least 50% of the allotted game time each game, regardless of the league the team chooses to participate in).
- Rec select team names shall include “+” after the team name.
- Submission to BASC of Rec select teams must be applied for by the team’s Head Coach via submission of a BASC Rec Select Roster Form to the BASC Registrar (the form is available on-line or at the BASC office). *Players will not be placed on Rec select rosters without a completed player detail and parent/guardian signature on file with the BASC Registrar. Requests for Playing Up shall be accompanied by a completed Play Up Request Form and are subject to the same conditions as Recreational players.*
- Head Coaches are responsible for submission of a newly completed Rec select roster form to the BASC Registrar or BASC office each Fall season and submission of any roster changes each Spring season by the close of the normal registration period.
- Recruiting of players for Rec select teams shall be in strict compliance with the BASC Standing Resolutions regarding such.
- Following the late registration period, players already registered and having current team affiliation will not be permitted to be added to Rec select team rosters (this is to prevent the late “raiding” of recreation team rosters).
- Rec select teams are permissible for U9 and older teams. Due to the fact that there is no place other than BASC Closed Rec league for U6, U7 or U8 the formation of Rec select teams in these age groups could cause great disparity in competition with no option to remedy through placement in higher divisions.
- BASC is not responsible for ensuring Rec select team rosters are complete and correct. Players not listed on the submitted form(s) will be released from the team roster.
- Submission of Rec select rosters to BASC following the OSA team submission deadline may incur a penalty payable by the team.
- Recreational teams choosing to register as a Rec select team for the spring season must place all players returning from the Fall team roster onto the new Rec select team; unless a player’s parent or guardian requests placement on another Recreational team.

- Players may be added to a Rec select roster in the Spring or Fall so long as the BASC maximum number of players for the applicable age class is not exceeded.
